Designer

INTERIOR ARCHITECTURE + DESIGN GRADUATE

I am an ambitious, imaginative individual that enjoys visually transforming and creating, using evocative narratives. Interior design and fashion are my two passions that I desire to express in my career. With this, and the qualities I have adopted in past roles, I will confidently compliment any company. I am determined to achieve my greatest ambitions and gain knowledge and experience in any way possible.

Achievements

- I occasionally stand in as a substitute tutor at UAL on the third year 'Interior Architecture and Design' course.
- I have the privilege of being a guest panelist at critiques in UAL and UCA for the third year 'Interior Architecture and Design' course.
 - Awarded 'Project of the Year' in my Final Year.
 - My Final Third Year project was elected to be entered as the National competition Submission.
- Started up my own small business where I create a diverse range of creative pieces for different clients. You can find some of my work on '@artxsann' on instagram!
